

KEVIN NOAKES
BOOKBINDESIGNS
BESPOKE ENGRAVED TOOLS
FOR THE BOOKBINDER
FROM CATALOGUE OR
CUSTOM DESIGNS.

We take pleasure in introducing you to this new catalogue of hand tools by Kevin Noakes.

Kevin's low overheads means he has been able to price his tools very competitively compared to the mainstream engravers, just compare his prices.

The tools come with hardwood maple handles, capped with a stainless steel ferrule. The heads of the tools are made from 1/4" hard grade brass; the shanks are 1/4" brass which makes for good heat retention.

We use royal mail for postage in the UK which would be first class standard for orders under £60 which would be £3 plus an additional 70pence per tool under the value of £60, once over the value of £60 it would be sent via UK special delivery which is a guaranteed next day service from the date it was sent which would cost £6.50 including insurance up to £500 and fully traceable with tracking number on request.

Airmail items would go via royal mail airmail standard up to the value of £60 Europe will be £4 plus £1 per additional tool rest of the world would be £4.50 plus £1 per additional tool up to the value of £60

Bulk items and heavy/valuable items will need to be quoted on at the time of order as it may work out more economical to go via courier.

Expected turnaround time for tools and blocks would be sent within 14 days but usually quicker, so 14 days until its sent and whatever time it takes to get there, usually postage is pretty quick, generally overseas by royal mail takes 5-10 days and inland is just a couple... Although not guaranteed unless special delivery.

Payment: We accept payment by UK cheque, bank transfer or PayPal. There is a 4% surcharge if paying via PayPal.

Cheques from overseas customers must be drawn on a UK bank in pounds sterling, otherwise a bank transaction fee will be charged.

Note: - VAT is chargeable on all inland orders and non VAT registered EC customers. VAT registered EC customers may supply us with their VAT number for VAT exemption.

Please contact us by email to arrange your order.
